## Transition meetings for children moving to Year R

We will be holding meeting at both settings for parents to come in and speak to a member of staff about moving on to 'big school', what to expect, how to prepare your child over the summer, and any general questions.

## Father's Day tea

Calling all Dads, step-Dads, Grandads! Come to celebrate everything about you! We'll be having 'tea' (juice) with cake and doing fun 'Dad activities'.

If this is not your child's usual session you are welcome to come but you must stay with your child.

## Parking

Please be respectful of the road markings outside of LB1 Hollybrook. The 'no waiting' zone is important for our children's safety and must be adhered to. If you need to drive, we recommend parking at the Sport's Centre and using the crossing point. Seagarth Lane is very busy with limited spaces.

## Parent Meetings

We will hold our termly meeting with your child's key person on 01 and 03 July. A sign up sheet will be available closer to the time. This is a fantastic opportunity to find out how your child is progressing and planning together for next steps.

If you cannot make these dates, please speak to your key person.

### Sports Day

Sports Day this year will be held as a group of LB1 and LB2 children at the Sports Centre. We will be walking over to be there at 9:30am on Tuesday 02 July. If this is not your child's usual session, you are welcome to meet us there. Further details to follow.

### Physical Top Tips

Each month in our newsletters we will share a "Physical Top Tip" of ideas you can share with and encourage your children to do. With summer fast approaching, we have shared a couple of extra ideas.

#### Wet Sponge Designs

*On a hot, summer day, gather up lots of sponges, provide a tub of water for endless resoaking, and have your kids throw their sponges on a wall or on a cement surface to make designs. Sponges can also be used to "paint" walls.*

#### Digging for Treasure

*Whether it's an inside or outside sand table or sand box, kids love to dig for treasure. Hide small toys like plastic dinosaurs, small cars, or marbles, and let your child release their inner pirate as they search for booty!*

#### Run Away From the Monster

*Kids love a game of chase, especially with a parent or other adult they trust. A game of running from a "scary" monster will involve much squealing with delight.*

On behalf of everyone at Little Berries Pre-school, we wish you all a safe and fun packed summer - Good luck to our children moving on to reception year at school. We will miss you - We look forward to welcoming everyone else back in September.
